

Saint John of God Dublin South East Services

St. John of God Dublin South East Services provides a network of education, training, employment, respite and community living personnel supports to children and adults with intellectual disabilities in South Dublin.

Clinical Nurse Manager 1 (CNM1) Children's Respite

Applications are invited for the post of CNM1 supporting children with an intellectual disability in our Children's Respite Service, Angels Quest. This is an exciting opportunity for someone who's passionate about young children and interested in providing opportunities for children with ID to develop their full potential in a compassionate and child centred environment.

Sometimes families need a break and sometimes children need a chance to play with their friends and have a sleepover or a holiday. We have a purpose built children's respite centre on our campus in Glenageary, providing a welcome break for families, and fun and development for children. This is a hugely rewarding role for someone interested in working in a dynamic yet hospitable service.

This post provides therapeutic interventions, practical support, and nursing support where appropriate to meet the needs of the individual children/young people.

This post provides day and evening respite Monday to Thursday and 24 hour respite Friday, Saturday and Sundays.

The successful candidate must meet the following criteria:

- Be on the current register of the Nursing and Midwifery Board of Ireland and preferably RNID trained
- Excellent knowledge and understanding of Health Act Regulations, HIQA Standards and all other relevant legislation as well as relevant social care models
- Experience in the area of ID essential
- Experience of working with children advantageous
- Good leadership qualities, including excellent communication, interpersonal skills and change management
- The ability to manage, develop and motivate a staff team, while also working front line.
- A flexible working approach that responds to the changing needs of the service
- A Full Manual Driver's License

If you believe you have the necessary enthusiasm, competencies and experience to bring to this role, please forward your letter of application along with your Curriculum Vitae by email only to dserecruitment@sjog.ie quoting reference;
