## Birth to 2 year Programme

Early Intervention Programme within our specialised preschool setting

## Welcome to Kildarton

Children attending Kildarton early services range in age from birth to 2 years approximately. Children living within our catchment area can apply.

- Kildarton provides an individualised programme to each child attending.
- Our staff are highly qualified with a wide range of experience and backgrounds including Montessori teachers, Early Years Professionals and Nurses.
- We follow a specially devised programme of activities embracing all areas of child development.
- Kildarton is a place for you and your child to meet other families, learn, and prepare for your child's future.

## About Us

Kildarton provides a warm, fun and sensory rich environment in which you and your child can participate in the following activities:

- Infant Massage
- Reflexology
- Music therapy
- Lámh
- TacPac Sensory Programme
- Messy Play

The parent and baby group currently meets weekly at 9:30am on Tuesday mornings for approximately 1 hour. This provides an opportunity for parents to meet and participate in our specifically designed programmes.
